

STEPHAN F. SLAVIK

PRESIDENT

PROFESSIONAL EXPERIENCE

Slavik Builder's, Inc. and Slavik Building & Development

1999 - Present

President and founder, providing invaluable expertise in all phases of land planning, product design, estimating and site construction in single-family, multiple-family and commercial design/build developments.

Mr. Slavik oversees the planning and design of the construction work on behalf of SBD, as well as providing valuable input on the scope of work and value engineering. Mr. Slavik has guided the successful completion of the 180-unit Cornerstone Estates redevelopment, as well as many other large projects.

Slavik Butcher & Baecker Construction Company, Inc.

1976 - 1998

President responsible for development of standards and policies in all phases of sales, marketing, design and construction specifications, enabling successful growth and diversified areas in the industry with a broad, stable base of expanding clientele.

The Slavik Company

1966 - 1973

Mr. Slavik was responsible for product design, engineering and construction of 650 apartment units, 400 single family homes and 325 condominium units in Rochester Hills, as well as an office building and single family subdivision in Ann Arbor. During this same period, Mr. Slavik was also the project supervisor responsible for on-site supervision and scheduling for 147 apartments in Troy, an additional 500 apartments in Ann Arbor and 358 apartments in Rochester/Rochester Hills.
